## PRESS RELEASE

Attorneys for Anderson County Mayor Terry Frank and Sheriff Paul White have jointly submitted to the Court an interim order that allows the Sheriff to continue to employ his current deputies and hire fifteen additional deputies and a coordinator for the Alternatives to Incarceration program. This agreed order is consistent with the Mayor's position, and will allow the Sheriff to begin increasing the number of deputies he employs in anticipation of opening the new jail. The interim order will be in effect until resolution of the pending court case and effectively narrows the scope of the pending dispute to the additional twenty-one deputies the Sheriff is seeking for the operation of the new jail. The parties will not comment further on this interim order.
