

The LDC

Nightfall Challenge

Are you tired of the same old zombie-chasing, fake-chainsaw filled haunted corn maze every October? Are you ready to REALLY get your adrenaline pumping, your screams going and the excitement raised to new heights?

Come try out the all-new LDC Nightfall Challenge at the Life Development Center. You'll get the chance to test your nerves of steel through climbing, swinging, and zip-lining in pitch black darkness. For one price, you'll get a ride on 3 of our high elements, a bonfire and a spooky scavenger hunt. This event is best for people 10 and up, who aren't afraid to push themselves to new heights (and aren't afraid of the dark, of course).
