Chief Jim Akagi  
Oak Ridge Police Chief  
P.O. Box 1  
Oak Ridge, Tennessee 37831

Dear Jim:

Following your request that I authorize a TBI investigation of allegations that a rape was committed in Oak Ridge by a suspect who appeared to the victim to be a police officer or security guard; I did request an investigation by the TBI which has since been completed. I have enclosed a copy of my report and findings.

The investigation was meticulous and involved many interviews and a delay for lab results. In short, I do not find any basis for a criminal charge. No suspect was ever identified. The alleged victim's credibility is in doubt due to numerous conflicts within her own statements and conflicts with other witness statements and the physical evidence. The investigation is open but inactive. Perhaps there will be a DNA based CODIS match in the future.

If you have any questions or concerns, please give me a call.

Very truly yours,
