### Directions to the City of Oak Ridge Fire Hall at Heritage Center (ETTP)

#### From Oak Ridge

Travel South on Oak Ridge Turnpike, which turns into Highway 58, for approximately 10 miles. After you go under the Hwy 95/Hwy 58 overpass, you will see the Blair Road traffic light. Go through the light; after you travel under an overhead bridge, you should see a bank of solar panels on the right. At the third entrance to Heritage Center, you will see a large marquis (photo below); turn right onto Heritage Center Blvd. Continue along Heritage Center Blvd. and turn left onto Enrichment Street. Take the first left off Enrichment Street to enter the parking area for the City of Oak Ridge Fire Hall. Signs and volunteers will guide you to the parking area.

#### From Y-12 or ORNL

Exit the west end of Y-12 or ORNL and turn right onto Highway 95. Take the Highway 58 exit towards Kingston. Go through the Blair Road traffic light; after you travel under an overhead bridge, you should see a bank of solar panels on the right. At the third entrance to Heritage Center, you will see a large marquis; turn right onto Heritage Center Blvd. Continue along Heritage Center Blvd. and turn left onto Enrichment Street. Take the first left off Enrichment Street to enter the parking area for the City of Oak Ridge Fire Hall. Signs and volunteers will guide you to the parking area.

#### From Knoxville

Take I-40W past the split, toward Nashville. Travel approximately 11 miles to exit 356A to merge on Highway 58N toward Oak Ridge. Once you have traveled 3 miles on Hwy 58, you will see a marquis at the main entrance to the Heritage Center, turn left onto Heritage Center Blvd. Continue along Heritage Center Blvd. and turn left onto Enrichment Street. Take the first left off Enrichment Street to enter the parking area for the City of Oak Ridge Fire Hall. Signs and volunteers will guide you to the parking area.
